NJ Cardholder

- Summer EBT is a new-to-NJ child nutrition program intended to reduce hunger and food insecurity for children during the summer when school is not in session.
- This summer, NJ will be sending a new Summer EBT card to every eligible child to purchase food at participating retailers. Students already enrolled in free/reduced school meals will automatically be mailed a card. Others must apply to determine eligibility.
- Families will receive \$120 per eligible child for the summer to use over 4 months.
- Benefits can be used at authorized retailers, like grocery stores and farmers markets, to purchase healthy foods like fruits, vegetables, meats and other protein sources, whole grains, and dairy.
